MICHAEL MOORE SCORED IN NATIONAL FITNESS

Michael Moore, 13 years old, a Wilmington High School freshman, has scored in the top five percentile, in the United States, in the national Marine Fitness Test.

Moore was introduced to the Wilmington Rotary Club last week by Supt. of Schools Harold Shea. The highest obtainable score is 500. More scored 454.

He did 72 pushups, and scored 100. 83 situps in 2 minutes scored 94, and 14 pullups scored 85. 42 burpees in a minute scored 100 and 440 yards in 65 seconds scored 72, for a total of 445.

Michael is very small - an average sized lad such as Donald Coolidge could eat off Michael's head. He is the Rotary Student of the Month.

WORLD'S LARGEST (From Fr. Page)

in many stadiums.

An unusual feature of the stadium will be that there will be facilities under the stadium for the parking of 200 buses. Fans will be able to unload almost at their seats.

Wilmington is central

The site of the stadium, in Wilmington, means that 80% of the population of New England will be within two hours travelling time, Green said. He contrasted this with the proposed site of the Boston Stadium where, he said, fans would have to spend an additional half hour in travelling time.

It took longer to get to the proposed site of the Boston Stadium from his office in Cambridge, than it took for him to get to the Wilmington site, Green said. And, he added, when Route 93 is completed, there will be a greater time factor.

The confluence of Routes 93, 125 and 495 makes Wilmington the best site in New England, Green declared.

He drew attention to the 84 acres he controls on Ballardvale Street, where there would be ample room for parking, and contrasted this to the site in Boston where it is proposed to build a stadium.

The Boston site was put at 18 acres. The stadium, Green said, would cover 14 or 15 acres, and this would leave only a small area around the complex for sidewalks, etc.

The arena would require three or four acres more, and there are plans for a huge garage.

Green said that it was 'just too illogical' to believe it could be done

Finances

Green told his audience that the financing of the Stadium had not yet been completed.

There would be 'absolutely no problem' he believed. He said that he had already received an offer of \$8 million for radio-television and concessionaire rights. He said he had already spend 'hundreds of thousands' of dollars, and, in answer to another questions, said that the \$34 million construction cost did not include the price of the land.

Green was confident that once the stadium became a reality the Boston teams would be playing there. He had been talking with the National Football League, and was confident that Boston would have a franchise in the league by 1968. New England, he said, was one of the heaviest markets for radio and television sports broadcasts.

The stadium would serve many other purposes, Green told his audience. It would serve conventions, circuses, rodeos, and other events which he was not at liberty to discuss.

He was confident that there would be a northern terminus for the MBTA at the stadium site, and this, he said, would provide quick transportation to and from Boston.

Project Head Start in Wilmington

Every year money set aside for special purposes is left unused because the people for whom it is intended do not know of it, or do not make use of it. Such an amount of money is available under the pre-school program called Project Head Start. This program is designed to offer an opportunity to participate in a planned classroom and recreational experience to children from low income families.

During the regular pre-school registration period, the school officials asked many parents who felt they qualified under the guidelines set up, to register for the project at the school nearest their home.

Since that time new guidelines have been established, and parents who may not have been eligible under the original guidelines may now be eligible.

For families over 10, add \$500 for each additional member.

Vision, hearing, speech, neurological development, emotional development, teeth and nutrition - all will be thoroughly checked and remedial care offered where needed.

The goal of the program is to give the children an improved social outlook by exposing them to classroom techniques, recreational programs and field trips, all designed to aid them in understanding themselves in relation to their families, their schools, their community. It is hoped to show them the doctor, the dentist, the teacher, fireman, policeman, and others, in roles which will instill respect rather than fear.

The classes will meet in the High School five days a week, for eight weeks, from 8 am to 12 noon. A light snack, consisting of milk or juice, and cookies, will be served at 8:30 am and a hot lunch at 11:30 am. The children will be transported to and from classes in a special bus. The classes start June 27, and end on August 20.

Parents who believe they may qualify should not let the opportunity pass. Harold E Driscoll, Staff Director, at the High School, 658-4463, should be called immediately, or visited. Mr. Driscoll may be reached at the High School between 7 am and 4 pm Monday thru Friday.

COMMUNION BREAKFAST PLANNED FOR PACK 58 CUB SCOUTS

A Father and Son Communion Breakfast, for Pack 58 Cub Scouts in conjunction with the Boy Scouts of Troop 58, both sponsored by St. Dorothy's parish, is being planned for June 19th, Father's Day.

A picnic is planned for June 18 at the Tewksbury-Wilmington Elks home, on South Street, with parents invited to attend with families. A slight charge will be made for refreshments. The picnic will start at 1 pm and end at 5 pm.

The Communion Breakfast on June 19 will be after the 9 am Mass at St. Dorothy's Church. A noted sports headliner is to be the guest.

The next meeting of the Pack will be on June 4. The Pack Committee meets the second Thursday of the month at St. Dorothy's church hall. Any parent is invited to attend.

Selectmen's Meeting

Future bridges and roads of Wilmington were the number one item for discussion, in Monday evenings meeting of the Board of Selectmen.

Three members of the Planning Board, A Daniel Gillis, Austin Rounds and Mrs Madelyn McKie were present to discuss priorities in future construction planned by the State Department of Public Works.

An invitation from the State DPW to come in and ask questions on future plans for Wilmington led to the meeting with the Planning Bd.

Gillis told the Selectmen that Planning Consultant Charles W. Elliott, of Harvard, will begin a traffic circulation study of the town this week. After that is complete, Gillis said, the Planning Board will be in a better position to pose questions to the DPW.

Gillis came armed with rolls of maps showing past planning studies on bridges and highways of the town. He said that the Planning Board favored a plan to reroute Route 129 from the Shawsheen Avenue Bridge, to parallel, instead, the B&M Railroad tracks and Main St. down to a proposed hookup with Route 38 near Eames Street, and with an overpass, to connect to Lowell Street.

TM Richard M Henneberger, in a summation told the board that no one seemed to know what had happened to the proposal to construct

a new Nichols Street bridge, for which money was voted in the town meeting last fall. Purportedly, he said, money was appropriated in the County budget last year for the construction of the bridge, but, Henneberger said, no one seems to know what happened.

Gillis told the Selectmen that the Nichols Street bridge has the least traffic of any of the town's bridges, and priority should be given to other bridges. As an alternative he suggested the possibility of opening up New Hampshire Street, which leads from Nichols Street toward Lake Street, and is largely a paper street.

Gillis did not want to see the DPW 'Give a blank check for planning our town'.

The Selectmen agreed, and said that they should await the results of the Planning Board's traffic study. The Selectmen and Planning Board will meet after the study to draw up a list of questions for the DPW.

Library Report

Gillis told the Selectmen that Planner Sam Snow's report on the library site will be completed on June 2. Mr. Snow, it seems, is elsewhere, and Gillis said rather grimly that the 'was going to meet the plane'.

Gillis also brought up the matter of acquisition of playgrounds in

real estate developments - Gillis said that the town should acquire the 'raw' lots, before development and improvements sent the prices soaring. He was talking of the price of \$18,000 for four lots, in the 'far end' of Hathaway acres, and of four lots in the Marie Drive area, which were contiguous.

Gillis told the Selectmen that he would like to see the eight lots, and an acre of town owned land to the eastward, at Martin's Brook, combined into a playground, where there could also be winter skating.

Mrs Drew asked where he was going to get the money.

Gillis responded that the thinking in the town is changing, and that taxpayers were now more willing to appropriate money for recreational purposes.

Double Signs

Gillis finished his session with the Selectmen in a vehement complaint concerning a communique he had just received from the Building Inspector.

The Planning Board, he said, had reported a 'double placard' type of sign along Main Street, to the Building Inspector, for action by that gentlemen. In response, Gillis said, the Board received a note saying that there was no evidence of such a sign on Main St. 'I'm fed up with this kind of thing!' Gillis said.

Chairman Bender suggested that Mr Gillis take up the sign violation with the Town Council.

Reading Light

Selectman Lloyd Bender reported a developing 'impasse' between Reading Light officials and the joint efforts of the North Reading, Lynnfield and Wilmington Boards of Selectmen. He was talking of the efforts of the three boards to discuss electric power and costs for the three towns.

Last week, Bender reported, the Reading light officials refused to meet with the three boards at the Lynnfield Town Hall, but instead invited them to meet on May 18 at the Reading Light Building.

The Lynnfield and North Reading Selectmen have taken the position that their request and invitation were reasonable, Bender reported. They need not have to go to Reading.

In further telephone communications, he said, the Reading Light officials have indicated that they will not meet with any members of the Power Study Committee, but only with Selectmen. Also they are asking that the delegations be limited to nine persons.

Selectman Niles said he hated to see a 'blocking off' of all communications with the Reading Light by a refusal to meet in Reading.

He pointed out that the law requires that power companies ne-

gotiate rates with local selectmen. In order to 'keep the pressure on' Niles suggested that the Town Councils of the three towns draw up a letter for the Reading Light Company, on the legal right of the Selectmen to negotiate with them, and that the Chairmen of the three boards, and the Town Councils deliver the letters to the Reading Light officials, at the proposed Wednesday night meeting in Reading. The other selectmen and the Power Study Committees could meet in Lynnfield Wednesday evening, Niles suggested, to await word from the chairmen.

Miceli protested sending only the chairmen of the boards to the Reading Light. He said he would like to go along.

Bender said it would prove nothing to have an extra Selectman along. Miceli insisted, saying he would like to go along for his own information, and reminded the other members of the 'people who had elected me'.

Niles moved that the delegation be limited to the three Chairmen and the three Town Councils. The motion passed, with only Miceli voting against it.

Miceli then said that he was disturbed because it seemed to him that the board was relinquishing all of its power to the chairman.

Bender asked Miceli if he was through with his speeches. Miceli replied 'It's not a speech, it's a fact!'

'Not Really!' said Bender.

Library Trustees

TM Henneberger announced the appointments of Mrs Evelyn M. Norton, Raymond Fitzmaurice and Christian Bachman to the Board of Library Trustees, to fill the unexpired terms of Dr. Ernest Wallent, Ralph Kelmon, and Miss Franklin Allen, respectively.

Mrs Norton, 204 Wildwood St. has a degree in library science, and has served two terms on the Library Board in the past.

Raymond Fitzmaurice, a former member of the Planning Board, and an architect, expressed his willingness to serve on the board, and the TM pointed to his construction experience as a valuable aid at a time when the construction of a new library is being discussed.

Christian Bachman, 10 Marie Drive, is an Electronics Engineer at AVCO, and has done considerable volunteer work with libraries in the past. He moved into Wilmington two years ago, from California.

Mrs Casey

Mrs Helen Casey of Redwood Road and a group of neighbors appeared before the Board to voice complaints against the developer for allegedly not fulfilling agreements made with them at the time they purchased their homes.

Chairman Bender said that the board could do nothing concerning a personal business transaction unless some specific law of the town had been violated. He fur-

ther said that the particular builder had been most co-operative in the past, when complaints were brought against him.

New Business

Miceli, speaking of last week's land sale, said he was concerned about the sale of many small lots by the town, and the possibilities that they would be built upon and thus create more problems for the town. He suggested that the Selectmen set up an advisory committee to make recommendations on lots, before the next town auction.

Niles agreed, saying Miceli's point was well taken, and suggesting that a Planning Board member to in the committee. Miceli put his suggestion in the form of a motion, and it was unanimously passed. Bender pointed out that the Selectmen had the right to refuse the sale of any lot they felt should not be sold.

Henneberger announced that the Tax Collector had been advised that the state would now take away automobile licenses, in the future, for persons not paying their automobile excise taxes.

Town Clerk Esther Russell had a note to the board, that John Elia had protested a three year limitation which had been placed on his gasoline license, for his property on Middlesex Avenue. The license was the subject of much discussion a year ago, and at that time Elia had agreed to the restriction.

The Board invited Elia to come before them, next week, and present any reasons he might have for the removal of the restriction.

The meeting adjourned at 10:20.

'Money is available, says Rep. Cain

Referring to a report from Wilmington's Town Hall that there was uncertainty as to the fate of the proposed bridge for Nichols St. Representative Fred F Cain said yesterday that the money voted for the construction of the street is still available.

\$100,000 is in the 1966 budget for the bridge, and is allocated purely for 'Wilmington' Cain said. Unlike other DPW items, the money cannot be spent for other purposes. The budget should be voted this week, Mr. Cain told the Town Crier.

A bill to make Ballardvale Street an extension of Route 125, to Ballardvale Street in Andover, has been passed by the House, Rep. Fred F. Cain reported yesterday.

The bill, introduced by him and Rep. Albert P Pettoruto of Andover, would extend the highway to the Industrial District around was introduced by the two men after conversations between the Wilmington and Andover Boards of Selectmen.

The street passes the site of the proposed New England Stadium, and similarly, the site of the proposed northern terminus for the MBTA.

Musical Scholarship Offered

WHDH-TV of Boston is awarding a full scholarship, to Camp Encore, in Sweden, Maine, this summer, it has announced.

The competition is open to any musical boy in the Commonwealth of Massachusetts, between the age

of 10 and 15, who plays an instrument or sings.

A wonderful summer program of eight weeks is the prize. It is an unusual summer program that combines fine musical training with an opportunity to perform in con-

cert, radio and television, plus an active program in sports.

Interested applicants can obtain blanks from the music supervisor, or else by writing to Station-WHDH-TV, Boston.

THEY CAUGHT A TROUT IN SILVER LAKE: And just couldn't wait, but cooked it immediately (and the cat helped with the trimmings). Robert Williams, 13, of Grove Ave., and William Lynch, 13, of Dexter Street, are shown cooking the only trout the Town Crier has ever heard of, caught in Silver Lake.

JOHN WINTERS COMPLETES MARINE CORPS TRAINING

Marine Private John J. Winters, son of Mr and Mrs John F. Winters of Pershing Street had completed his recruit training at the Marine Corps Recruit Training Depot, at Parris Island, S.C.

Winters still has four weeks of individual combat training, to be followed by four weeks of basic specialist training, before being assigned to a permanent unit.

REVERE BOWLS FROM THE BOOSTERS: For the girls of the 1965-66 Championship Basketball Team of Wilmington High School, awarded last week, at a party at the home of Mr and Mrs Winston Fairfield, Birchwood Road.

L to R: Diane Johnson, Tana Fairfield, Marjorie Gamble, Virginia Schena, Connie Blomerth, Sandra Burns, Paula MacDonald, Sharon Justice, Lillian McLaughlin, Jane Kroll, Dawn Williams, Nancy Farrell, Elaine Zaverson, and Miss Georgia Dadoly, coach.

Wilmington Softball League

The Wilmington Soft Ball League is off again, and running under the direction of Commissioner Larry Cushing. A 14 week schedule has been drawn up for the summer, and the playoffs will follow the conclusion of the summer play.

The playoffs should begin in the latter part of August, with the first

four teams qualifying.

Seven teams from last year, and one new team make up a solid 8 team league this year.

Holdover teams from last year include the defensive champs, The Charles River Breeding Laboratories, who will be directed by Dan Bemis, with the help on the coaching lines of George Thompson, and Cagy Sam Ethier. The Rats featured a solid hitting attack and slick fielding last year. Both have been bolstered this year, with players Jimmy Gillis and Joe Casey, and the Rats are the favorites to repeat again this year as champs.

Jimmy Downes is again guiding the Merri-Macs this year, and the team features their old steadys - Larry Cushing, Joe Gilligan, Ted Wicks and Bucky Backman. There is a lot of experience there, baseball wise, and that has served to always keep the Merri-Macs in contention.

The Shamrocks, with Jack Pelierin at the helm, have some new faces this year, to go along with the older veterans, Dave Sullivan, Bob Doughty and Fred Robbins. Jack Knowlton, considered one of the steadier pitchers in the league, might hold the team together thru their rebuilding period, and usher them into the playoffs.

National Polychemicals has Paul Burke to manage the team this year and not too much is known about them at this time.

The team is composed mostly of employees of National Poly. In past years there has always been a few players who could upset the bets, and give the team a strong run for the playoff spot.

The Knights of Columbus, with George Foley at the reins, could again have trouble with their fielding. It could be that George will be sponsoring a drive for more members, but, with a good year from some of his veterans, and an assist from newer players George might hold his team for the playoffs.

Diamond Crystal, with Joe Lies as manager, and Sweetheart Plastics, with Bob Peddle holding the reins are two teams that are in the dark horse position. Little is known of either, and will not be known until a few games have been played. Both teams are composed of employees of the two companies, and are subject to change each year.

The new team this year is the Newhouse Builders, with Dick Ethier pulling the strings. Dick is a ten year veteran of the league, and he has two ten-year men in Dave Newhouse and Al Ethier. He will be hoping to tie this experience together with some brand new faces, into a team that will jump into a playoff position for his first time as piloting a team.

All in all the league shapes up as being pretty solid, again this year. They will be playing in the Town Park, off Route 38 at the Main Street bridge, Mondays thru Thursdays. Game time is 6:30 pm.

After the first week of play, the standings are:

Charles River	1 - 0
Merri-Macs	1 - 0
K of C	1 - 0
Newhouse Builders	1 - 0
Shamrocks	0 - 1
Sweetheart Plastics	0 - 1
Diamond Crystal	0 - 1
Polychemicals	0 - 1

ELAINE LARIVEE
IS ENGAGED

Mr and Mrs Rene J LaRivee of 64 Concord Street have announced the engagement of their daughter, Miss Elaine Marie, to Roger L Duden, son of Mr and Mrs Burnette Duden of Cannon Falls, Minnesota.

Miss LaRivee is a 1963 graduate of Wilmington High School and is presently employed as a bookkeeper at Usen Products Co in Woburn.

Mr Duden graduated from Cannon Falls High School in 1960, and attended 2 years at Mankato State College in Minnesota, before joining the US Navy. He is a Machinist Mate 2nd Class, on board the USS Hawkins, stationed at Newport, Rhode Island.

No date has been set for the wedding.

JANIS IOVANNA
ENGAGED

Mr and Mrs Joseph E McCabe, 1 Pond Street Wilmington, have announced the engagement of their daughter, Janis E Iovanna, to Albert E Hall, son of Mr and Mrs Chester Hall, 222 Woburn Street.

Miss Iovanna is a 1965 graduate of Wilmington High School, and is employed at the Hanscom Air Base in Bedford.

Mr. Hall, a 1963 graduate of Wilmington High School, is a Junior at the Salem State College.

The wedding will be held in the Wilmington Methodist Church on August 20th, at 3 pm.

Susan Cosman is Bride in Nuptial Mass

Miss Susan Cosman, daughter of Mr and Mrs John D Cosman, 294 Salem Street, North Wilmington, became the bride of Arthur J. Durante, son of Mr and Mrs Gaspar Durante of 11 Winthrop Street, Everett, in a High Nuptial Mass in St Thomas Church, at 1:30 pm on April 24.

The Rev. Father Francis Mackin officiated. The bride was given in marriage by her father. The soloist sang 'Ave Maria' and 'Our Father'.

The bride was dressed in an empire waist gown of silk organza with a Swiss lace bodice and Kabuki sleeves. She wore a shoulder length veil with a pill-box headpiece of seed pearls.

Her prayer book was covered with white roses and streamers, centered with a large white orchid.

Mrs Sandra Cosman, sister-in-law of the bride, was the matron of honor. She wore a radiant blue peau-de-sole empire waist gown and train. Her headpiece was a pill-box of blue daisies, and she carried a basket of white daisies interspersed with miniature blue carnations and blue streamers.

The bridesmaids were similarly attired in a lighter blue. They were the Misses Jannice Duffina, and

Carolyn Cosman, sister of the bride, both of Wilmington, and Jerrie Hennrietta of Everett.

Mr Kenneth Durant of Weymouth, cousin of the groom, was the best man. The ushers were John Currie of Everett, and Robert Cosman, brother of the bride.

A reception was held in Ivy Hall in Lowell, after the ceremony. Mrs James Henrietta of Everett was in charge of the guest book.

The mother of the bride wore champagne crepe with Swiss lace, pale green accessories and a corsage of green clobidium orchids. The mother of the groom chose blue crepe with pink accessories and her corsage was of pink clobidium orchids.

For her going away outfit the bride chose a pale gold suit, with black accessories. A white orchid from her bouquet completed the costume, and the couple honeymooned in Maine.

Miss Cosman is a graduate of Wilmington High School, and attended the Cambridge School of Business. She is presently employed at the First National Bank in Boston.

Mr Durante is employed by the Prudential Insurance Co.

League of Women Voters Elects

NEWLY ELECTED OFFICERS OF THE LWV. Seated is the President, Mrs William Hooper, on the second year of her term of office. With her is Mrs William MacKinnon, Treasurer; and Mrs Harold F. Chase, Secretary.

Standing are Mrs Harrison Fogg, Mrs John Condon, Mrs Ronald Wolff and Mrs Christian Backman, Directors. Missing from the picture is Mrs Thomas Mitchell, Second Vice President.

The Wilmington League of Women Voters, at their fifth annual meeting, last Thursday, voted to conduct a full and inspiring program, for the coming year.

A Study of Wilmington's Library Needs, A Study of Wilmington's Recreational Needs, and, a further Study of the Betterment Laws with respect to their effect on the Community were voted as being the program for the coming year.

New officers voted into office were: 2nd Vice President, Mrs. Thomas Mitchell; Secretary, Mrs Harold F. Chase; Treasurer Mrs William MacKinnon.

Directors: Mrs Christian Bachman, Mrs Ronald Wolff, Mrs Harrison Fogg, and Mrs John H. Condon.

Nominating Committee: Mrs Ir-

win Hanke, Mrs Augustus T Norton Jr., and Mrs Henry Sullivan.

The highlight of the evening was a detailed and interesting report by the League President, Mrs. Barbara Hooper, of her trip to the National Convention in Denver. Especially interesting was the fact that although fifty states were represented, Mrs. Hooper was asked to discuss her League's Student Government Program.

More than three fourths of the Wilmington Leagues' membership was present for the annual meeting

The 'Secret' Meeting Planning Board

The minutes of the October 15 1965 meeting of the Planning Board - the so-called 'secret' meeting, of which Selectman Paul Niles spoke at a Selectmen's meeting 10 days ago have been 'found', or, at least, are now open for public inspection.

They were not in the red colored looseleaf note book in which the Planning Board keeps its records of meetings.

A Daniel Gillis, Chairman, told other members of the board, Tuesday night, that he had found them in the 'black' notebook - a notebook which is used to keep records of the public hearings held by the Planning Board.

He said that when Niles had spoken to him about the 'secret' meeting some time ago he was unable to explain the circumstances.

'It floored me' said Gillis.

He said that he had gone up to the Planning Board office and searched for the 'missing' records without being able to find them.

Then, several days later, he had searched the records of the Hearings, and found the record of the Oct. 15th meeting.

An inspection of the record of the meeting shows that no names are mentioned, to record votes, but that instead the record is how the vote went, i.e. (2 for - 4 against), in the case of a vote concerning Chapter 40A, which was the subject for an article in a coming Special Town Meeting.

Individual members were named only when they were appointed to some special task. From the list of appointments it is certain that all members were present at the meeting.

There is nothing in the record of the meeting to indicate where it was held.

Gillis told his fellow members that Selectman Niles had been in the Planning Board office on a Sunday afternoon, and had seen the record of the 'secret' meeting.

Polymeric, Inc. is new affiliate of Raffi & Swanson

Raffi & Swanson, Inc., manufacturers of protective and decorative coatings/inks, announced yesterday the formation of a new company, POLYMERICS, INC., of 100 Eames Street Wilmington.

The new firm manufactures polymeric resins that are used by the leather, textile, paper, paint, adhesives and similar allied industries.

Listed as officers of the new company are Richard W. Pease, President; Henry M. Szczepanski, Treasurer; and Theodore J. Kubacki, Clerk. Together these gentlemen

bring to the company an extensive background of related chemical processing experience.

Polymeric, Inc. will also be able to take advantage of the surface coating technology which Raffi and Swanson has acquired in its 43 years of operation, as well as from the prior experience of its officers.

Utilizing the latest in manufacturing equipment, Polymeric, Inc. has the capability of supplying its customers with batches ranging in size from single drums to tank trucks.

J W Greer Co transferred to Joy Manufacturing Co.

The J. W. Greer Company has become a part of the Joy Manufacturing Company of Pittsburgh, Pennsylvania.

The announcement was made Tuesday, by the Joy Company. The acquisition of Greer was in exchange for an undisclosed amount of Joy common stock.

Greer, founded in 1917, moved to Wilmington in 1951, has for a number of years been one of Wilmington's principal industries and employers. It is a leading manufacturer of continuous process machinery, primarily serving the food processing industries, - baking, confectionary, frozen foods and ice cream. It also serves the petroleum and other miscellaneous industries with process equipment.

The new acquisition to the Joy Manufacturing Company will be operated as the Greer Division of Joy's General Products Groups.

J. W. Wilcock, Group President, will establish the Group's headquarters at the Greer Division, and present plans call for an expansion of the manufacturing activities, with additional products scheduled.

James A. Drain, Joy president, stated that the Greer acquisition marks the beginning of a planned program designed to give Joy Manufacturing Company a solid position in food processing machinery and equipment.

Don S. Greer, president of the J W Greer says that the acquisition of Greer by Joy will permit a more rapid implementation of the Greer plans for expansion.

'We are highly elated' he said, 'for Joy to come to our assistance, and to add their own broad program of growth and expansion'. Mr. Greer will remain with the Greer Division as Director of Planning.

LAND COURT

(Seal)
Case No. 6036-S

Upon the petition of ROBERT P. STEVENS of Winchester, in the County of Middlesex and said Commonwealth, Trustee of the Eastern Realty Trust, representing that he is the holder of a deed from Manuel R. Amaro and registered as Document No. 40853, noted on Certificate of Title No. 3901 issued from the Middlesex North Registry District based upon a treasurer's deed to the Town of Wilmington, Document No. 12282, covering Lots 601 and 602, Plan No. 6036-E, filed with Certificate No. 1896; the sale under which has been duly determined by the Tax Commissioner for the Commonwealth of Massachusetts to be a sale under the provisions of the low value statute, and praying that said Certificate of Title No. 3901 be cancelled insofar as it relates to the above mentioned documents and that a new certificate issue to him, therefore, it is

ORDERED that the Recorder give notice of this petition forthwith by publishing a copy of this order against JOHN B. BOUCHARD and EUGENIE BOUCHARD of Cambridge, in the County of Middlesex and said Commonwealth, once a week for three successive weeks in the Wilmington Town Crier, a newspaper published in said Wilmington; and if you desire to make any objections or defense to said petition, you or your attorney must file a written appearance and an answer under oath, setting forth clearly and specifically your objections or defense to each part of said petition, in the office of the Recorder of said Court in Boston (at the Court House), on or before the thirty first day of May Next.

Unless an appearance is so filed by or for you, the said petition will be taken as confessed and you will be forever barred from contesting said petition or any decree or orders as the court may make.

NOTICE OF RATE REDUCTION
TOWN OF READING
MUNICIPAL LIGHT
DEPARTMENT

Notice is given of the revision of the Town of Reading Municipal Light Department rates to residential and small commercial customers in Lynnfield Center, North Reading, Wilmington and Reading as filed May 2, 1966 with the Department of Public Utilities and which were approved May 4, 1966.

These rate revisions will become effective June 1, 1966 and will reduce total annual revenues approximately \$192,000.

The new Residential rate is as follows:

RESIDENCE SCHEDULE A:
AVAILABLE IN: Reading, North Reading, Wilmington and Lynnfield Center.

APPLICABLE TO: Individual residential customers for all domestic uses where service is taken through one meter. Incidental commercial use, not exceeding 20% of the total energy used on the same premises is permitted.

CHARACTER OF SERVICE:
A.C.; 60 cycles; single phase.
RATE: 3.90¢ per Kwh for first 100 Kwh. 2.65¢ per Kwh for next 150 Kwh. 1.85¢ per Kwh for all over 250 Kwh.

MINIMUM BILL: \$1.00 per meter per month or fraction thereof, but not less than \$5.00 for any connection period.

CONTROLLED WATER HEATING ALLOWANCE: When customer regularly uses an electric water heater of a type approved by the Department, all energy in excess of 250 Kwh up to 750 Kwh will be billed at 1.25¢ per Kwh; energy in excess of 750 Kwh will resume the normal steps. Water heaters with two heating elements shall be interlocked to prevent simultaneous operation. Service to the water heater will be controlled by a Department owned time switch mounted in an approved outdoor socket supplied and wired by the customer.

FUEL ADJUSTMENT: The bill for service hereunder may be increased or decreased as provided by the Standard Fuel Adjustment clause.

MULTIPLE DWELLINGS: When separate metering of individual apartments is not practicable, service may be furnished through a single meter, but the specific number of kilowatt hours in each block

and the minimum bill will be multiplied by the number of apartments or dwellings connected with each meter.

BI-MONTHLY BILLING: The rate above applies monthly. When bills are rendered bi-monthly, the number of kilowatt hours in each block will be multiplied by two.

GENERAL TERMS AND CONDITIONS: Service hereunder is subject to the General Terms and Conditions which are incorporated herein and are a part of this rate schedule.

The new Small General Service rate is as follows:
SMALL GENERAL SERVICE
SCHEDULE B

AVAILABLE IN: Reading, North Reading, Wilmington & Lynnfield Center.

MR AND MRS HAROLD MELZAR, and children. Standing, L to R Mrs Eugenia Shepard of Boxford, Elliot Melzar of Winchester, Mrs Elizabeth Pullen of Augusta, Maine; Frederic Melzar of Boxford; and Mrs Marjorie Melzar of Wilmington.

Five children, six grandchildren and 21 great grandchildren, with one of the latter missing - he had to take the Selective Service exam) were among the 108 persons who came to extend well wishes to Mr and Mrs Harold E Melzar, of Lake Street, in a surprise party at the Congregational Church, last Saturday.

The couple were married 50 years ago in the West Somerville Congregational Church, by the Rev. Donald Fraser. Mrs Melzar was a member of that church at the time of her marriage.

The couple made their home on Lake Street, after their marriage, with Mr Melzar's parents, Mr and Mrs Eben Melzar, and his grandmother, Mrs. F A Greene.

In public life Mr Melzar has been Town Manager of Wilmington, and before that a Selectman. He has filled many posts in town, and is at present the Chairman of the Board of Water Commissioners.

CCD FILM SUNDAY

The CCD of St. Thomas is to present the film 'Parable' Sunday at 8:30 pm in Villanova Hall. The film was shown at the New York World's Fair. All are welcome. A discussion period will follow.

Wilmington Women's Club Annual Luncheon

The annual luncheon of the Women's Club was held May 12th at Valle's Steak House in Saugus. Five girls from Wilmington High School, outstanding seniors, were the guests of the club.

Mary Keough, Janet Vitale, Nancy Farrell, Paula MacDonald and Beverly McLain were accompanied by Miss Irene Sharpe of the High School Faculty.

A Gold Federation Card was presented to Mrs Edward Neilson in recognition of her fifty year membership in the Wilmington Women's Club. Mrs Harold Melzar was presented with a pewter Paul Revere bowl, in appreciation of Mr and Mrs Melzar's many years of auditing the club books.

Entertainment after the luncheon was in charge of Mrs Everett McQuaid, who presented a series of humorous skits, with Mrs Ernest Ardillino, Mrs Carl Blomert, Mrs Walter Moran, Mrs Richard Willson and Mrs Walter Spring.

The closing number was a piano composition by Mrs Arthur Zalno, played by herself, 'Mysteries at Twilight'.
